KIS/JAN/2022-23/223

23.08.2023

Namaskar!

Dear Parents

We, at the Kothari International School always strive hard for the literary excellence of our students and we achieved the same by participating in the 'World Largest Online Book Writing Festival', where we proudly stood No.1 throughout the state (Uttar Pradesh) by crafting 166 KIS young authors.

This time our school has collaborated with the Scholastic India which is providing an opportunity for our students from **Grade 5 onwards** to learn the art of writing and to encourage the talented writers to get mentored by experts and have their story published, through the **Scholastic Writers Academy Programme. (Brochure attached)**

We would like to recommend the same to our students though it totally depends on the parents' choice and consent.

4 simple steps to honing your child's writing skills and becoming a published author!

- **Registration:** Submit your child's name to the class teacher latest by August 30th, 2023 (Wednesday).
- **Selection through Online Test:** Test will be simple, online and free of cost which is to be conducted on September 4th, 2023 (Monday).
- **Parent Orientation:** Once the selection process get over, there will be an orientation to understand how the programme benefits your child and get answers to your queries.
- **Mentoring:** Enrol into the 10-day enriching and exciting online mentoring programme (programme fee applicable)

The students will get mentored by literary experts and published by Scholastic!

Interested students can go through the attached brochure for details and submit their names to the class teacher latest by August 30th, 2023.

Encourage your child to explore new avenues, support them in their creative pursuits to build a strong profile useful for future college admissions!

Regards
